

960 POWERNAP® CHARGING SOLUTION DISPENSER

Description:

Enhance the customer experience with convenience and the power to stay connected with the PowerNap Charging Solution tabletop napkin dispenser. Low battery anxiety is real and often times a patron's phone is their ride home so if "their battery is low -- they gotta go" but not anymore as this innovative, completely portable and rechargeable dispenser allows the customer to charge their electronic devices while keeping them in their possession. One-at-a-time dispensing reduces the number of napkins used by at least 25% versus non interfolded dispenser napkins. Improve hygiene and provide a sanitary experience as the dispenser is fully covered and the customer touches only the napkin they use. Easy to open and load when refills are needed reduces maintenance and labor costs. Customizable advertising panel allows you to reach a wider audience and promote menu specials and events.
